一切进展顺利吗?

留学路上"陷阱"重重

划重点

教你识别涉及留学的电信网络诈骗↓

一、我自己绑架了自己?

我自己绑架了自己?出国留学的女儿突然给父母发来"求救"视频,并索要500万元赎金。

为测试真假·家长追问"绑匪":"家里养了几条鱼?"对方很快回复:"两只乌龟·没养鱼。" 吓得家长赶紧报案。然而警察调查后却发现·**这是一起"虚拟绑架"**·也就是说留学生是在自愿的情况下配合诈骗分子拍摄了绑架视频。

这是怎么回事?下面就带你识破骗子的三步作案手法↓

1. 冒充公检法

首先·诈骗分子**冒充公检法工作人员·谎称留学生涉嫌重大犯罪**·要求"配合调查"·迫使其自我孤立起来·目的是切断其与亲友的联系。

2. 诱导拍假视频

接着, 诈骗分子拿出多种理由来诱导留学生拍摄被绑架视频:

理由一:谎称收到留学生被绑架的视频·怀疑其为了逃避侦查·自导自演被绑架·要求拍摄"同款"视频作为对比以自证清白。

理由二:声称留学生本人或父母涉嫌重大案件,拍摄照片视频等即可获得宽大处理。

3. 骗取"赎金"

一切得逞后,诈骗分子联系家长,谎称孩子被"绑架",并发送事先拍摄好的照片或视频,以证明"绑架"真实性,**向家长骗取巨额"赎金"。**

二、保录取?剥夺资格!

正在规划出国留学的也要警惕,承诺"保录取"的统统都是假中介!

日前,香港大学经管学院发现个别学生伪造学历入读,经调查,相关虚假文件为非法中介机构

Statement: Upholding Academic Integrity at HKU **Business School**

m 22 May 2024

HKU Business School as one of the top business schools in Asia and the world, attracts over 20,000 postgraduate programme applicants annually, including many outstanding students. The intense competition has led to high admission standards, but unfortunately, it has also attracted suspected illegal agencies who provide fraudulent documents to help applicants secure admission qualifications through fraud. Documents required for admission application, such as academic certificates and transcripts, and the verification procedures comply with the existing regulations of the University of Hong Kong.

Regrettably, we have recently identified very few concerning cases involving the submission of fraudulent documents during the admissions process. We have also discovered that certain agencies have been involved in fabricating application materials. Those agencies claim to provide so-called 'guaranteed admission' services, seeking to gain unfair advantages for their clients by forging documents.

We unequivocally condemn any acts of dishonesty and reaffirm our zero-tolerance policy towards any form of academic misconduct. We have taken immediate action and are conducting a thorough investigation into this matter. In the event that any cases are confirmed, we will implement all necessary disciplinary and legal measures as mandated by the University and the law. This may include rescinding admission offers, nullifying enrolment and referring cases to legal authorities. If any agencies are found to be complicit, we will cooperate with the relevant legal authorities to ensure they are held accountable.

We at HKU Business School are committed to fostering a fair and nurturing environment for all students where they can grow and thrive. We will ensure that the achievements and successes of the vast majority of our students who have rightfully earned a place in our esteemed programs through their dedication and hard work are not be tainted by the actions of a few.

只会让一切都打了水漂。

三、 低价租房?优惠换汇?钱全部骗光!

已在海外生活的留学生·要**小心便宜精致的"虚假房源"**。在你支付押金后·很可能无法入住或 房东"消失"。
